# **MEDIA RELEASE**

Date: November 18, 2015  
Issued by: Sergeant S.R. Safran #507  
Time: 0930  
Topic: ATM Burglaries on November 16 and 18, 2015

On Monday, November 16, 2015 at about 5:00 a.m., unknown person(s) drove a white Ford F250 4x4 pick-up truck through the cinderblock wall of the Norwood Quick Stop, 200 Norwood Drive, in Hurst. The suspect(s) then stole the automated teller machine (ATM) from inside the store.

On Wednesday, November 18, 2015 at about 3:45 a.m., unknown person(s) committed a similar burglary, driving a red Ford F450 through the front glass of the Valero Convenience Store at 780 West Hurst Boulevard in Hurst. Again, they took the ATM from inside the store.

In both cases it was subsequently determined that the truck had been stolen from businesses in Hurst immediately prior to the burglaries. Both trucks were found abandoned within a few blocks of the burglaries.

No suspects have been identified, however detectives are actively pursuing a variety of leads. Anyone with possible information related to these crimes is encouraged to call the Hurst Police Department.
